1. E-Learning Training Courses for ISO & Management Areas

We provide awareness, implementer, auditor and lead auditor training courses on international standards, such as ISO 9001, ISO 14001, ISO 45001, ISO 22000, ISO 27001, ISO 13485, ISO 15189, ISO/IEC 17025, ISO/IEC 17020, ISO/IEC 17029, FSSC 22000, ISO 50001, ISO 55001, ISO 17034, etc. as well as Instrument Calibration, OHSAS Awareness, Healthcare Management, Food Safety & Hygiene, HR & Softskills Training.

2. ISO Documents and Training Presentation Kits

We are providing readymade ISO documentation kits and training presentation kits containing readymade documents like manual, procedures, work instruction, checklists etc., as well as training presentation slides and handouts on all types of ISO and other international certifications. All documents and training kits are made in Microsoft Word and PowerPoint, which are easily editable and highly popular globally.

3. Global KPO Services

A. Consultancy Services for ISO Series & Management Consultancy

We offer a complete range of ISO Consultancy services aiming to serve small, medium and large size businesses, companies and organizations for achieving competitiveness, certifications and compliance to international standards and regulations. We fully assist companies and organizations that want or need to effectively implement management systems and achieve ISO Certification. We also provide training on management topics like 5S lean manufacturing, Kaizen, Six Sigma, Poka Yoke etc.

B. Online ISO Documentation Consultancy

We offer online ISO documentation consultancy services to our global clients. Our clients provide us details of their company and we prepare complete and accurate documentation as per their requirements for ISO series certification, which saves time and cost of any system certification.

C. Training on ISO and Management Areas

We offer public and in-house courses on ISO series awareness and auditor training for quality, environmental, OHSAS, NABL, NABH, CMM, ITSM, Food Safety, Energy systems as per latest standard requirements. Such training programs can be attended at a convenient time. You can invite our trainers at your place or attend our public training programs and seminars at our place.

Nine Steps of ISO Consultancy followed by us

Step 1: Gap Assessment and Micro-level Survey

Step 2: System Implementation Training

Step 3: Documents Preparation

Step 4: Implementation of System

Step 5: Document Review

Step 6: Internal Auditor Training

Step 7: Internal Audits, Improvement and Closure of Audit Findings

Step 8: Management Review Meeting

Step 9: Registration and Final ISO Audit.
